Get more value from your benefits

Your health is an important part of the Capreit employee experience. Vision and prescription drug coverage are two of the most popular features and we're pleased to let you know that we have a special arrangement with Loblaw's optical and pharmacy networks to provide savings to our employees and their families.

SAVE ON VISION

Our benefit plan with Great West Life provides several flexible options for vision care that can be used towards prescription eyeglasses and prescription contact lenses for employees and eligible dependents.

And now with our Preferred Optical Arrangement with Loblaw's, Capreit employees and their families can receive the following discounts:

40% off frames and lenses

10% off contact lenses

40% off Rx safety glasses (not covered under the GWL plan)

With its many locations across Canada, Loblaw Optical Centres provide a number of competitive features:

- Larger eyewear selection
- No fitting fees for contacts lenses
- On-site eye exams
- Warranties

SAVE ON PRESCRIPTION DRUGS

The cost of prescription medication is made up of two components:

DRUG INGREDIENT COSTS	DISPENSING FEE: Pharmacist's fee for filling your prescription

Our benefit plan with Great West Life provides several flexible options for prescription medications.

Using Loblaw's network of pharmacies means:

- **Lower ingredient markup** – a maximum of 10% markup on drug ingredients
- **Lower dispensing fees** - dispensing fee for Ontario residents to match the Ontario Drug Benefit, dispensing fee for Alberta residence and everyday best pricing for British Columbia residence.

To find a pharmacy near you, visit www.drugstorepharmacy.ca or, you can go to the "store finder" website www.loblawstores.ca. Not applicable to all provinces.

To access just bring your Drug Card and our discounts will apply.

Questions? If you have any questions regarding this benefit arrangement, please feel free to contact a member of the Human Resources team.
